The Clubhouse has the largest full service event venue on the HWY 395 from North Spokane to the Canadian border.

The Rusty Putter has the largest outdoor patio in Chewelah. Enjoy the afternoon's and weekends with friends in a quiet and relaxing setting.

Nestled among the tall pines and looking out on one of the top golf venues in Northeast Washington, that is open to the public.

The CG&CC event center can accommodate all events, from the casual buffet to a formal dinner.
